

### **Photo submission for flutters.org**

We accept photos of any resolution and size as long as the features of butterfly are clearly visible.

Preferably file size can be between 150KB to 2MB.

Please do not put your name or date on the photo. We will add your name.

Image details should be in the following format.

Common Name – Scientific Name ( If known )

Place: Specific place name, State Name, India

Date: Month in words ( Like January, July, etc ) / date / yyyy ( Year like 2011 )

Photographed By < Name of the photographer >

Mail them to [malabartreenymph@gmail.com](mailto:malabartreenymph@gmail.com)

Your photos will be uploaded within 3 – 7 days depending on the load and how free we are.

Don't be too upset if there are delays 😊.

Before you mail us your next set of photos, wait till your previous submission is uploaded.

Thank you for your understanding.

You will get a mail notification, once your photo is uploaded.

Thanks,

Kishen Das
